Civil Action No.

NOTICE OF REMOVAL

Pursuant to 28 U.S.C. §§ 1441 to 1446, Fondo Financiero para el Desarrollo de la Cuenca del Plata ("FONPLATA") hereby removes this entire action from the Supreme Court of the State of New York, County of New York (the "State Court"), to the United States District

Court for the Southern District of New York.¹ This removal is proper pursuant to 28 U.S.C. § 1441(d) because this Court has original subject matter jurisdiction over this matter pursuant to 28 U.S.C. § 1330(a)² and 28 U.S.C. § 1331. In accordance with 28 U.S.C. § 1446(a), FONPLATA provides the following “short and plain statement” of the grounds for removal:

1. FONPLATA is an international legal person of unlimited duration owned by five sovereign Republics (Argentina and Brazil, which each own 33% of FONPLATA, and Bolivia, Paraguay and Uruguay, which each own 11% of FONPLATA). FONPLATA was created by the Articles of Agreement that entered into force on the 14th of October 1976, and in accordance with the “Treaty of the Plata Basin” that entered into force on the 14th of August of 1970 among the sovereign Republics of Argentina, Bolivia, Brazil, Paraguay and Uruguay. *See Declaration of Joseph R. Profaizer ¶¶ 2-3 (Exhibits 1-2).*³ FONPLATA is governed in accordance with the Treaty of the Plata Basin and other international agreements subsequently executed among those five sovereign Republics. *See Declaration of Joseph R. Profaizer ¶¶ 2-4 (Exhibits 1-3).* As set forth in the Treaty of the Plata Basin, FONPLATA’s Articles of Agreement, and other applicable

¹ This action was captioned as above in the State Court and bore index number 07/110974.

² Section 1330(a) provides for jurisdiction pursuant Foreign Sovereign Immunities Act, Pub. L. No. 94-583, 90 Stat. 2891, *codified at* 28 U.S.C. §§ 1330, 1332(a)(2)-(a)(4), 1391(f), 1441(d), 1602-1611, and “any applicable international agreement.”

³ Due to the expedited nature of the State Court action, at this time, FONPLATA is only able to provide preliminary unofficial translations of the Treaty of the Plata Basin, the Articles of Agreement and the Agreement Concerning Immunities, Exemptions and Privileges of FONPLATA in the Territories of the Member Countries. *See Declaration of Joseph R. Profaizer ¶¶ 2-4 (Exhibits 1-3).* FONPLATA is in the process of creating certified translations and will submit those translations to the Court in the near future in a separate filing.

international agreements,⁴ FONPLATA acts without any profit motive and solely to achieve the public purposes related to the development and integration of the Plata Basin.

2. Upon information and belief, on or about August 10, 2007, Plaintiff Dr. Oscar David Cortez Uzeda ("Cortez") filed an *ex parte* application for an Order of Attachment in the State Court against FONPLATA. Plaintiff's application was assigned Index No. 07/110974. Plaintiff's application contained, among other things, a proposed Notice of Motion for Summary Judgment in Lieu of a Complaint, the Affirmation of V. David Rifkin, two Affidavits of Oscar David Cortez Uzeda, an Affirmation of Eric Lindquist, an Affidavit of Rodolfo Melgarejo del Castillo, and numerous accompanying exhibits.⁵

3. On or about Monday, August 20, 2007, the State Court, acting upon Plaintiff's *ex parte* application for an Order of Attachment, granted that order, which levied upon US\$360,288 of FONPLATA's funds in its bank account in New York. FONPLATA received a partial copy of the Order of Attachment on Friday, August 24, 2007, at its offices in Santa Cruz, Bolivia and a complete copy of the Order of Attachment on Monday, August 27, 2007. A true and correct copy of the Order of Attachment is attached as Exhibit 4 to the Declaration of Joseph R. Profaizer.

⁴ A true and correct copy of the original Spanish language versions of the Agreement Concerning Immunities, Exemptions and Privileges of FONPLATA in the Territories of the Member Countries is also attached as Exhibit 3 to the Declaration of Joseph R. Profaizer ¶ 4.

⁵ Consistent with Local Civil Rule 81.1(b) ("Removal of Cases from State Courts"), Defendant has filed, contemporaneously with this filing, a copy of all records and proceedings currently on file in the state court.

4. On Tuesday, September 4, 2007, Plaintiff filed a further Motion, By Order to Show Cause, to Confirm the Order of Attachment in the State Court. Plaintiff's Motion contained an Affidavit of Eric Lindquist dated August 29, 2007 and numerous accompanying exhibits, which included new submissions as well as additional copies of the affidavits and memorandums that Plaintiff originally submitted. On Tuesday, September 4, 2007, the State Court, acting upon Plaintiff's *ex parte* Motion By Order to Show Cause, granted Plaintiff's Motion. A true and correct copy of the Court's Order to Show Cause is attached as Exhibit 5 to the Declaration of Joseph R. Profaizer.

5. FONPLATA has never answered, moved, or otherwise appeared in the State Court in response to the State Court's Order of Attachment or the Order to Show Cause.

6. Removal to this Court is proper because the United States District Court for the Southern District of New York embraces New York County, New York, the place where the Order was requested and issued and the place where the State Court proceedings are proceeding.

7. This Court has jurisdiction over the subject matter of this action pursuant to (1) 28 U.S.C. § 1330(a), because FONPLATA was at the time these proceedings were commenced and, continuously from the time that it was created, an "agency or instrumentality of a foreign state" as defined in 28 U.S.C. § 1603(b), and therefore a "foreign state" as defined in 28 U.S.C. § 1603(a) in accordance with the Foreign Sovereign Immunities Act⁶ and applicable

⁶ See, e.g., *In re EAL (Delaware) Corp.*, Civ. A. No. 93-578-SLR, 1994 WL 828320, at *4 (D. Del. Aug. 3, 1994) (Eurocontrol, an entity created pursuant to an international convention by 15 European states, constituted an "agency or instrumentality of a foreign state" under the Foreign (Continued)

international agreements, and (2) 28 U.S.C. § 1331, because Plaintiff's claims arise under the federal common law of the United States, including customary international law.

8. The language of 28 U.S.C. § 1446(b) provides that the "notice of removal of a civil action or proceeding shall be filed within thirty days after the receipt by the defendant . . . of a copy of the initial pleading setting forth the claim for relief upon which such action or proceeding is based." This Notice is timely because it was brought within 30 (thirty) days from the filing of the proceeding and initial pleading in State Court.

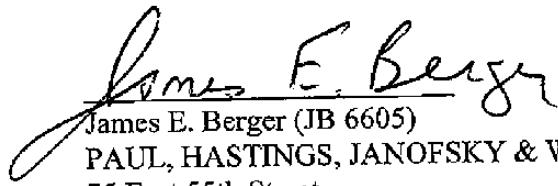

9. This Notice of Removal will be filed promptly with and served upon the County Clerk of the Supreme Court of the State of New York, New York County, New York, and on Plaintiff's counsel.

10. FONPLATA expressly reserves its right to raise any and all defenses and objections it may have at law or equity, including but not limited to, defenses relating to (a) the exercise of personal jurisdiction over FONPLATA, (b) FONPLATA's immunity from suit, attachment and execution, (c) federal common law, including customary international law, and (d) the Uniform Foreign Country Money-Judgments Recognition Act pursuant to Article 53 of the New York Civil Practice Law & Rules.

Sovereign Immunities Act) (citing cases)); *In re Air Crash Disaster Near Roselawn, Ind. on Oct. 31, 1994*, 96 F.3d 932, 941 (7th Cir. 1996) (ownership interests of more than one foreign government may be combined to reach the majority ownership required under the Foreign Sovereign Immunities Act).

WHEREFORE, FONPLATA hereby removes this action from the Supreme Court of New York, New York County, New York, to the United States District Court for the Southern District of New York.

Respectfully submitted this 11th day of September, 2007.
